Return To The Dalles - Showing Unity

UFCW Local 555 members led by President Dan Clay and Secretary-Treasurer Jeff Anderson were joined by UFCW Local 21 members, community activist, and concerned customers in The Dalles, Oregon on Saturday, August 14, 2010 to send Fred Meyer a single message - "Shame on you Fred Meyer! The Dalles non-food workers have been fighting for 1003 days to get what every other UFCW Local 555 represented non-food worker has in the states of Oregon and Washington... a secure union pension, a living wage, and a union health plan!"

The message to the members in the store was one of solidarity and support. We will continue to take any and all necessary steps to settle a fair contract. The Dalles members have a right to expect a secure retirement rather than gamble on employer provided 401 (k), and the right to affordable family healthcare!
